Dean & Wally,

Thank you for all the work done in Flamingo, it was an excellent job and the building looks great.

I want to personally transmit how please everyone was in the MBR, the City of Sunrise and Lemartec team with Wally and his crew's performance.

I got and email from MBR emphasizing how good the installers were, on top of the compliments they've made in person at the jobsite.

I hope you guys (and by that I mean Wally) can work with us in the Turnberry project.

Thanks again!
