Commercial Metal Building Services Corp.  
972 West Prospect Road  
Fort Lauderdale, FL 33309

Gentlemen:

For the past 15 years, Commercial Metal Buildings Services Corp. has served as my general contracting firm's exclusive pre-engineered metal building erector.

Center Line Design's client base is located nationwide and Commercial Metal Buildings has serviced this firm with the professionalism that you would expect. CMBSC pays attention to the tiniest of details and will step beyond the normal scope of work to meet all expectations you might have.

CMBSC has been and will be one of this firm's most important assets to success in this business.

Thank you for your service.

Sincerely,
