To: Commercial Metal Building Services
972 W. Prospect Road
Ft. Lauderdale, FL 33309
Att: Dean Davids

Dear Dean,

Thanks for your involvement in the erection of the Pre-Engineered metal building located at the Lake Worth Campus of the Palm Beach Community. You responded to our schedule of completion with full crews and the required equipment to make this project a success. It was a pleasure doing business with your company and we hope to work with you again in the future.

Sincerely,

A handwritten signature in cursive script, appearing to read "Thomas Lawless", is written over a light blue horizontal line.

Thomas Lawless, VP
